Handtevy - Pediatric Emergency Standards  
Masel Urology Center  
Mathnasium  
Opti Cool Headgear  
Roofs To Go USA LLC  
Southeast Florida Coral Reef Initiative  
The Wise Family

We are excited to invite you to be a **Sponsor** at the **Sixth Annual Broward STEM Family Expo** to be held **Sunday, March 15, 2020 from 12:00 PM - 3:00 PM at Beth Emet Elementary in Cooper City**. STEM stands for Science, Technology, Engineering and Mathematics and represents the four core disciplines critical to the development of America's technological innovations today and in the future. This extraordinary free community event open to the public is designed to bring children ages Kindergarten through 8th Grade together to spark their STEM interest for a day of building, computer science, engineering design and fun with LEGO®.

Last year STEM Expo was an astounding success hosting more than **3,000 guests** from the Tri-County Area; Palm Beach, Broward and Miami-Dade Counties. Families enjoyed hands-on, interactive STEM activities and exhibits sponsored by local businesses, community partners, and post-secondary institutions. As if that was not enough, several hundred children participated in free website design, coding, and robot building classes with the STEM Expo Sponsors!

**This event is not to be missed! We hope you will join us this year as we continue to inspire our youth to become innovative thinkers. Your sponsorship in the 2020 Broward STEM Family Expo really makes a difference.** Together we will create a fun, educational family day while providing you with a tremendous opportunity for your business to build brand awareness within the community.

We are also proud to share that a portion of the proceeds will benefit the University of Miami/Nova Southeastern University Center for Autism and Related Disabilities (UM/NSU CARD).

For more information please visit our website at [www.BrowardSTEMFamilyExpo.com](http://www.BrowardSTEMFamilyExpo.com) or email [contact@browardstemfamilyexpo.com](mailto:contact@browardstemfamilyexpo.com). We look forward to partnering with you to bring the children in our community another STEMtastic day!

Many Thanks,  
Patty Kopelman  
Event Chair

## SPONSORSHIP LEVELS

Support our young scientists, technicians, engineers and mathematicians by becoming a sponsor today!

**All exhibits are REQUIRED to offer a STEM related activity that is hands-on and interactive to engage all our young minds!**

### **\$10,000 STEM Champion**

Name or Logo placed **prominently** on event marketing, program, website and social media
